Oak Grove Staff Technology

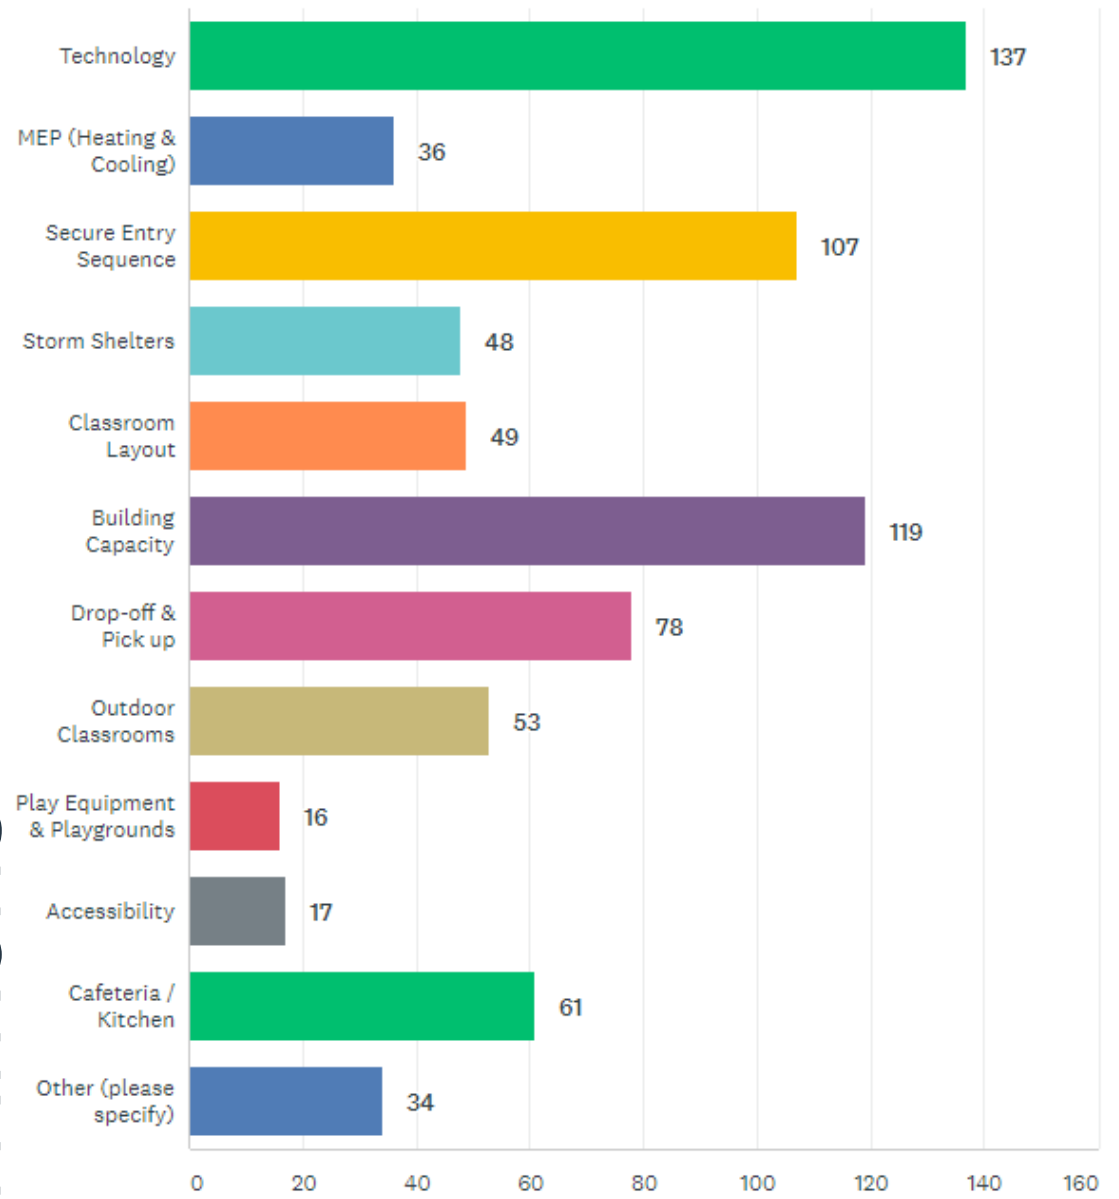

STAFF

PATRONS

Oak Grove Top Three Challenges

Trends in the future

- More Technology, 1:1
- Outdoor classrooms
- Add a robotics program
- More classroom space, flexible learning
- Design areas similar to the workforce
- Multi-use spaces with alternative learning environments
- Computer programming classes, culinary programs
- More Global Education
- More sustainable and energy-friendly spaces
- Project-based learning
- Online teaching during snow days
- Readers and Writers workshop
- Secure entries and overall safety
- Meet the needs of the Oak Grove growth
- Collaborative spaces

Traditions to be preserved

- “Once a Panther, Always a Panther”
- Panther Pride!
- Homecoming / Bonfire
- Small town feel with community involvement
- One campus
- Involvement in all activities
- Visitors are welcome
- Senior Circle
- Hallway decorations
- Orange/black color schemes
- ½ day on Homecoming Friday
- After-school programs
- Hosting all events with the highest attention to detail and integrity
- Allowing students to participate in multiple activities

Improve Educational delivery

- Work space for students
- Better lighting
- Better alignment of curriculum
- More “hands-on” learning environments
- New elementary school
- More mental health and counseling services
- Lower student:teacher ratios
- Better internet, WiFi
- 1:1 devices
- Alternative seating options
- Computer labs need to be more user-friendly
- Follow our mission statement for any decisions as we move forward
- More elective opportunities for Middle School students
- Campus and school impressions
- Assistant Principals at all levels
- More gymnasium space

Trends in the future

- Teacher lead instruction via technology during snow days
- Use more technology; 1:1
- More diverse learning spaces, flexibility
- More AP classes available
- Involve students in trade or technical school options, college isn't for everyone
- Digital books
- STEM education needs to be a priority
- Larger classrooms with color that enhance learning
- Need for additional extracurricular clubs and activities
- More foreign language options
- Project Lead the Way
- Access to outdoor learning facilities
- Teachers present multiple teaching methods

Traditions to be preserved

- “Once a Panther, Always a Panther”
- Homecoming parade and bonfire
- Graduation / senior nights
- Band competitions / performances
- Active sports camps during the summer
- Keep it a small town school
- One campus
- Community involvement
- Interaction of older students with younger students
- The fight song
- Making each child a priority in the school
- Dress code
- Mr. & Miss Oak Grove
- Split Elementary (K-2 & 3-5)
- Character Assemblies
- Booster Clubs

Improve Educational delivery

- More special education teachers / sensory rooms
- More variety in college-prep classes
- Get parents more involved
- Needing an auxiliary gym
- Open learning environments
- Variety of furniture
- Larger band room
- More variety of field trips for learning opportunities
- More community gathering areas
- Basic Life Skills classes
- More Gifted class availability
- Summer School Bus options
- More “hands-on” activities
- Lower Student:Teacher ratios
- Before- and after-school tutoring programs
- Expand the Early Childhood Center for more student availability

Building the Spreadsheet

Project Spreadsheet Line Items & Budgets

Action Items / Moving Forward

- Demographer results
- Collaborate with Navitas and the Design Team
- Create the Railroad of Project delivery (Capacity formula)
- Middle School and High School staff conversations

Game Planning / Timeline

STEP 1:	Project Initiation	Feb 2019
	Kick Off Meeting/ Game Planning	
STEP 2:	Gather Data & Information	Mar - Apr 2019
	Site Assessments	Mar 11 & 12
	Facility Vision Team Meeting 01	Mar 21
	Board Meeting	Mar 25
	Community Meeting 01	Apr 11 6:00 pm
	Board Meeting	Apr 15
	Release Surveys / Close Surveys	Apr 23 - May 08
	Facility Vision Team Meeting 02	Apr 25
STEP 3:	Educational Vision/Planning Criteria	May - June 2019
	Planning Criteria Work	
	Project Tours	TBD
	Facility Vision Team Meeting 03	May 16
	Board Meeting	May 20
	Community Meeting 02	Jun 13 6:00 pm
	Facility Vision Team Meeting 04	Jun 20
	Board Meeting	Jun 24
STEP 4:	Explore Concept Options	Aug - Sept 2019
	Prioritization of Work / Budget Preparation and Options	
	Facility Vision Team Meeting	Aug 22
	Board Meeting	Aug 26
	Community Meeting 03	Sep 19
	Facility Vision Team Meeting	Sep 23
	Board Meeting	Sep 23
STEP 5:	Adopt the Best Plan	Oct - Jan 2020
	Board Meetings	Oct 28, Nov 25 & Dec 23
	Finalize Options	Dec 19
	Bond Language Review and Adoption	Jan 2020
	Bond Language to State	Jan 2020

Timeline Review

- Participate in 2nd Community Forum Meeting
 - Flier for the Community
- Planning Criteria and Budget
- Master Planning / Project options
- Coordinate Project Tours

Clarifications, Questions?

Community Meeting # 2
June 13, 2019 6:00 pm
Oak Grove Performing Arts Center
