

***Problem Solving Intervention Plan  
C.S.I.***

Student:  
Referring Person:  
Participants:

Grade:

Date:

**STEP 1: REFRAME THE CONCERN** (from the Assistance form)

- What do we want to see happening with this student?

**STEP 2: ANALYZE THE CONCERN**

- What is the function of the behavior or what is the reason this student is not achieving?

**STEP 3: DEVELOP AND IMPLEMENT A PLAN**

- What is the goal of this intervention in observable and measurable terms?
- Create a manageable plan of proactive strategies to implement. Use evidence based interventions when possible.
- Create a plan for progress monitoring.
- How will this plan be evaluated and implemented with integrity?

**Implementation Summary**

- ✓ When will the plan begin?
- ✓ What are the participants responsibilities?
